## *Token of Appreciation and Gratitude*

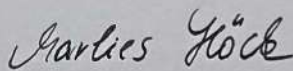

*To: North-Western State Medical University Named After I.I. Mechnikov, St. Petersburg*

*Koch-Mechnikov Forum in Berlin, an initiative of Petersburg Dialogue, extends its congratulations and best wishes at your university's 10-year anniversary. Koch-Mechnikov Forum is privileged to express its wholehearted feelings of gratitude and appreciation. All members of Koch-Mechnikov Forum are united in the hope and wish that our cooperation may grow and help to strengthen the friendship between the Russian and the German medical communities.*
