

Rector Sergey A. Sayganov

Dear Sir!

Karelia university of Applied Sciences congratulates you and your staff members on your special celebration day. North-Western State Medical University is having its 10-anniversary jubilee – but the roots of this remarkable institutions go far behind sharing the long and prosperous history and academic traditions of Saint-Petersburg Medical Academy of Postgraduate Education and Saint-Petersburg State Medical Academy.

All the best to you and good luck and success to you and your remarkable university

with Warm Regards

President Petri Raivo, Karelia University of Applied Sciences
