Enrollment

Enrollment to places under the Contract on the provision of paid educational services is held on a competitive basis in accordance with the ranked list. The ranked list is based on the Consent to enrollment and concluded Contract on the provision of paid educational services. The enrolment shall be carried out until the established number of places is filled.

Enrollment dates:

October 28 – admission of the Consent to enrollment from applicants is completed;

October 29 – order on enrollment of applicants who have submitted the Consent to enrollment and concluded the Contract on the provision of paid educational services is issued.

Enrollment is formalized by the Rector's order(s) on enrollment.

Contract on the provision of paid educational services shall be concluded by exchanging documents in electronic form.

The exchange of documents by the parties in electronic form implies that the applicant (legal representative)/customer under the Contract shall send a scanned and signed Contract to the University from the e-mail indicated in the application form for admission (in the text of the Contract). The University, in its turn, ensures that the received document is signed on its part and sent to the same e-mail address(es) as previously indicated. The date of conclusion of the Contract in this case is the date on which it is signed by the University. Upon arrival to study within 14 calendar days, the applicant shall submit original copies of the Contract for the number of parties under the Contract (copies signed by the applicant, as well as the customer, if tuition payment is not made by the applicant).

The tuition fee shall be paid in accordance with the terms and conditions of the concluded Contract on the provision of paid educational services.
